FLAVOR NOTES

Blanco has bolder flavors from the blue agave up front

The more aged the smoother and more complex in flavor

MEZCAL

Can be made from over 30 different agave species

Unlike Tequila, which is only ever produced in the central highlands of Mexico, Mezcal is primarily made in Oaxaca

Mezcal tends to be made in a smaller scale with "ancestral" techniques such as clay pots and reeds instead of copper pots

For most mezcal the piñas are roasted in an underground pit before it is fermented and distilled giving it a smokier flavor. It is closest in flavor to Scotch.

SIMPLY PURE VS. CHASE

Our Mezcal and Tequilas
are served simply pure:

SIMPLY PURE MEZCAL
with orange slice
& sal de gusano

SIMPLY PURE TEQUILA
with lime wedge & salt

OR YOU CAN CHASE [+ \$2]
with agua fresca
